SCIENCE TIME	:	Sound of vehicles
PATTERN WRITING	:	
SHOW AND TELL	:	Modes of Transport

Rhymes For The Month

1. THE BIG RED BUS

The big red bus
Never makes a fuss
Zoom it comes and
Zoom it goes away,
Pom - Pom Pom Pom
Is all that it says.
Rickety Rack or
Bumpety - Bump,
To Travel in a bus
Is such a great fun.

2. TRAVEL SONG

I'm in a car
I'm on my way
To a new place
Far, far away.
Racing cars and
Busy people
Streets and buildings
I've never seen.
When I travel
There are so many things
I want to see
When I travel.

3. TRAFFIC LIGHTS

Red, Orange and Green
The traffic lights are seen
The red light says stop
It stays at the top.
The green light below
It says you may go
The orange light stays
In between ...saying ...
Wait for the red or the green

4. MODES OF TRANSPORT

Row, Row, row your boat
Gently down the lake
Rowing, Rowing on the water
Boats are what you take.

Drive, drive, drive your car
Have a many ride
Travelling, travelling on the road
Cars are what you use

5. THE AIRPLANE SONG

Oh! We are flying in an airplane
Looking out the window
Watching the clouds go by!
Oh! We are flying in the airplane
Looking out the window
I see the wings
Down below, there are other things
Like little tiny windows and cars so small
It makes me feel like I am really tall
Oh! We are flying(repeat)

Fly, Fly fly your plane
High up in the air
Playing flying through the sky
Planes will get you there.

Chug, chug, chug your brain
Chug along the track.
Travelling travelling on the rain
Trains go back & forth.

6. BREATHE

Breathe, Pollution has to stop
Breathe, No one like to cough
Breathe, Air is what we need
Just breathe, Just breathe

In the city where trucks make the rounds
Oil drips out and onto the ground
When the rain comes down
Oil moves around
Down to the sea where the fishes swim around
So, Breathe....
