1. FIVE LITTLE PARROTS

Five little parrots,
Sitting on my door,
One flew away,
And then there were four.

Four little parrots,
Flying around the tree,
One flew away,
And then there were three.

Three little parrots,
Eating chilli stew,
One flew away,
And then there were two.

Two little parrots,
Trying to pick a bun,
One flew away,
And then there was one.

One little parrot,
Afraid to be a hero,
He flew away,
And then there was zero.

3. A LITTLE BIRD AND I

Once I saw a little bird,
Come hop, hop, hop,
And I cried, little bird
Will you stop, stop, stop?
I was going to the window
To say, How do you do
But he shook his tail
And away he flew.

2. MY PIGEON HOUSE

My Pigeon House. I open wide
And I set all the pigeons free.
They fly all around and up and down
Then they sit on the tallest tree

But when they return
From their merry merry flight
They shut their eyes and say Good night
Coo-ru, Coo-ru, Coo-ru, Coo-ru
Coo-ru, Coo-ru, Coo-ru

4. BUSY BEES

I'm a busy bee
And I'm flying through the trees
I hear someone say "thank you"
I hear someone say "please"
I see someone sharing
I see someone caring
Looks like..... Sounds like
A kind community.
